PROGRAM DETAILS:

There will be two separate divisions. The 1:00 – 2:00 p.m. slot will be for ages 5-7 that have limited experience. The baskets will be lowered to 8 feet. They will learn basic basketball skills, dribbling, layups and passing. They will play a 3 on 3 game daily. They will learn teamwork and the rules. There will be a coach on the court at all times helping out. It is an introduction to basketball. The goal is for young people to learn basketball skills have fun and hopefully they'll continue to play basketball.

The 2nd time slot, ages 8 - 10 will be from 2:15 – 3:15 p.m. This is for players in this age group that can reach a ten foot hoop and have been to clinics and camps and have experience playing basketball. This group will play all their games on ten foot hoops. The majority of time will be spent on individual skill work. There will be a 3 on 3 game every session. The rules such as traveling & double dribble will be enforced. Passing the ball, moving without the ball and learning how to play defense will be taught. The goal for both groups is for everyone to have a positive experience about playing basketball.
